W4XB

Dear Mr. Legge:

Thank you for your report of reception of International Shortwave Station W4XB, Miami Florida, dated June 9, 1938. Please consider this your verification.

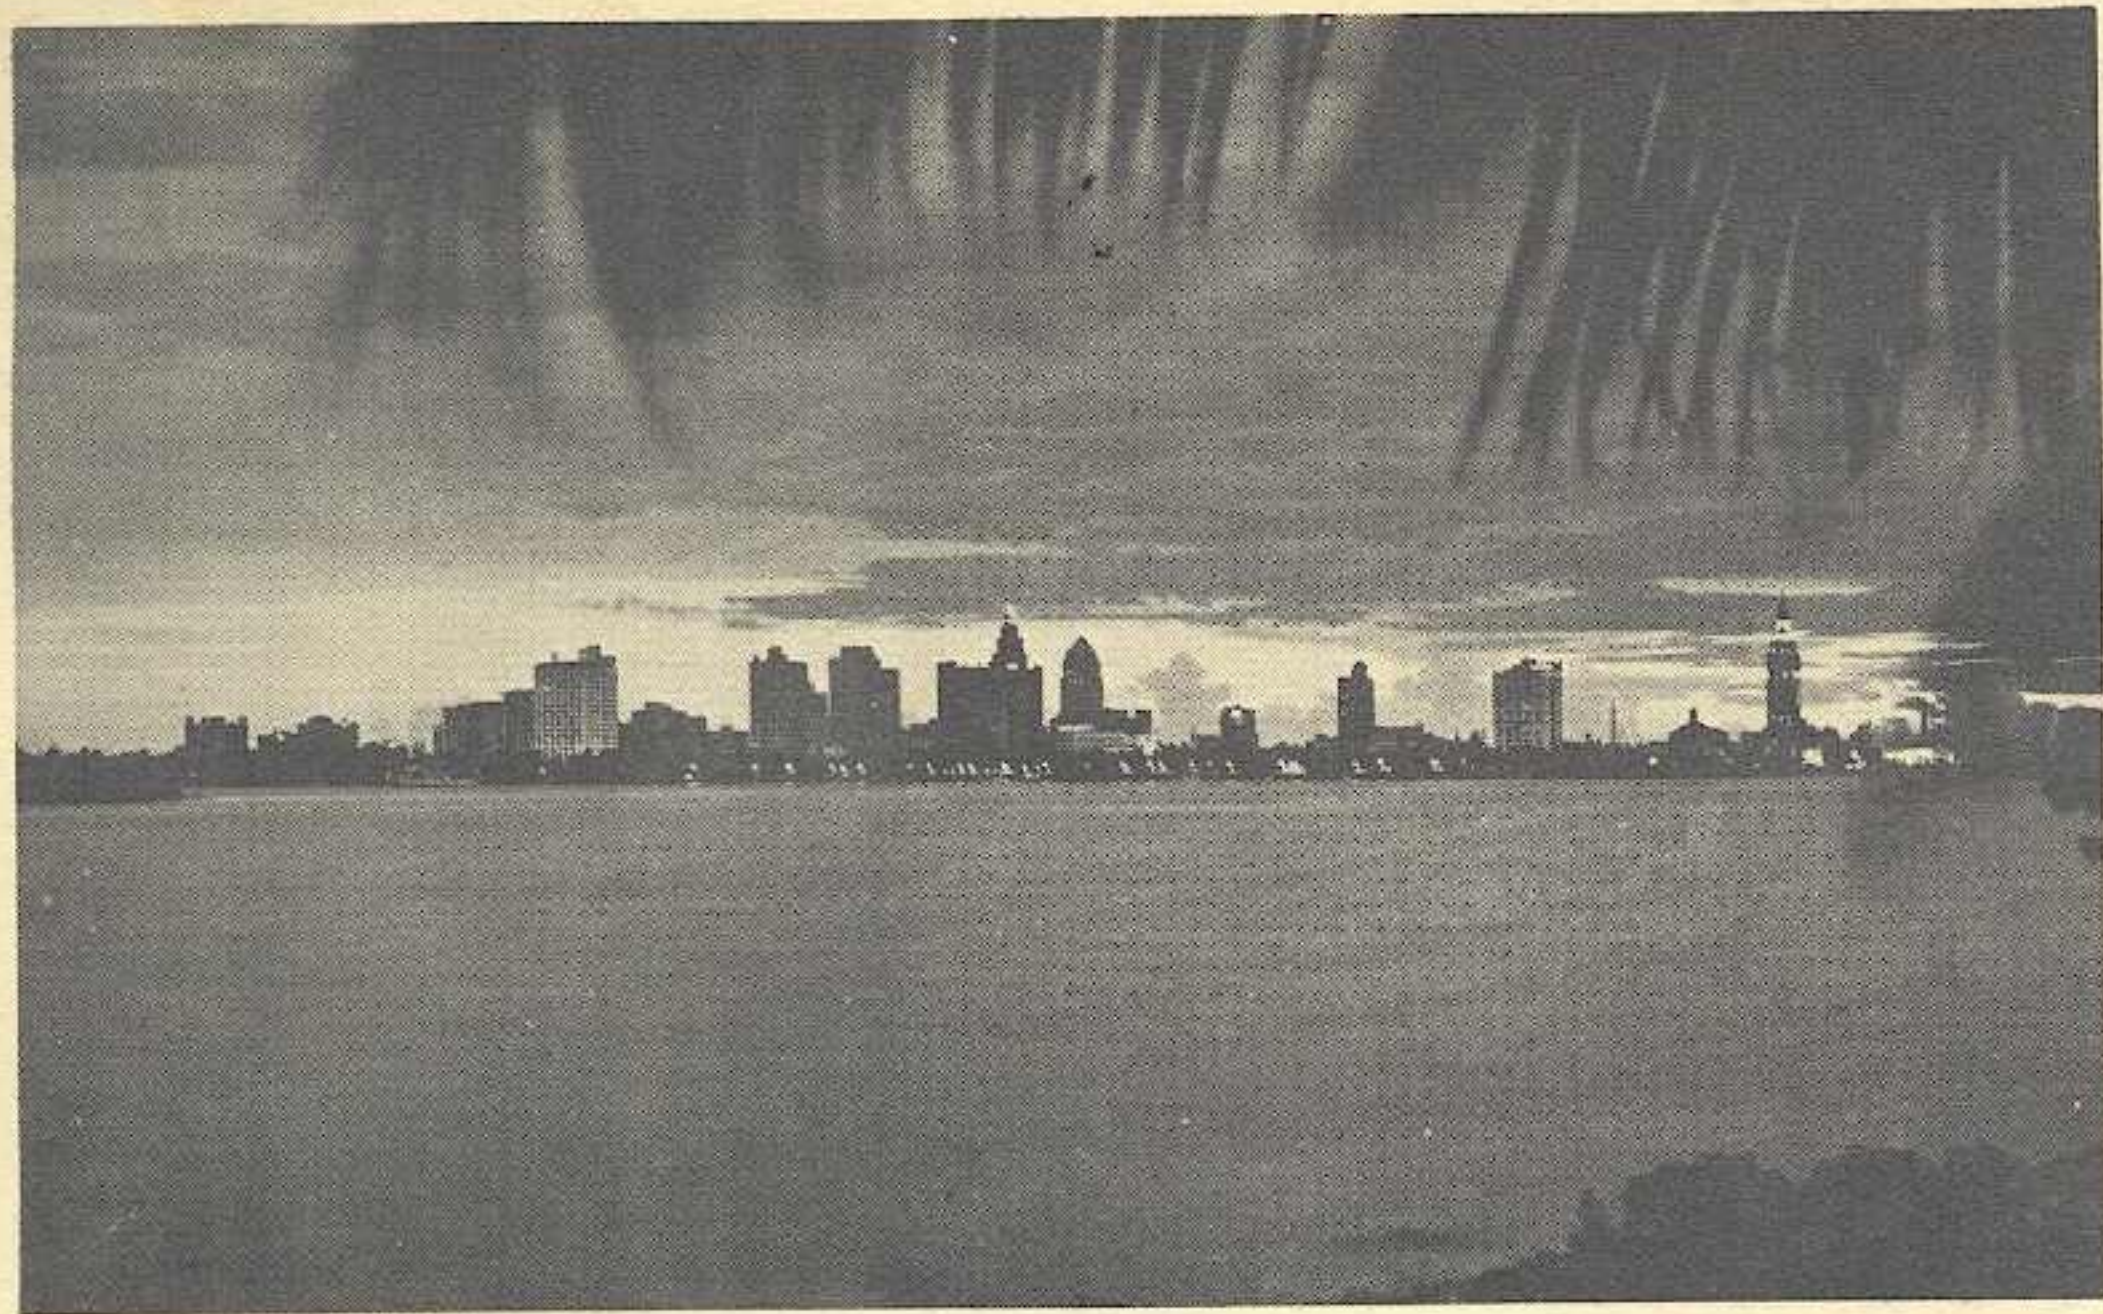

W4XB, 6040 kilocycles, operating on a power of 5,000 watts is on the air week days from 1:00 to 3:00 p.m., 9:00 p.m. to 12:00 midnight, Sundays from 4:00 to 6:00 p.m., 9:00 p.m. to 12:00 midnight, Eastern Standard Time.

The station broadcasts special studio programs in Spanish as well as English, among these Newscasts each week day at 1:45 p.m., and also re-broadcasts the programs of its Sister Station WIOD--Station identifications are made in Spanish and English.

We greatly appreciate your report and hope you'll tune in W4XB again soon.

Sincerely yours,

Ruth Richardson
